

ATTENTION

WELCOME TO HAPPY TOOTH!

It is our goal to establish a friendly relationship with each of our patients. While we do not recommend visitors going into the treatment room with patients we will allow one visitor per patient under the following conditions:

- 1. We ask that only ONE family member be allowed to escort the patient into the treatment area (no siblings).**
- 2. We ask that the Visitor does not instruct the patient about the treatment being rendered. Happy Tooth Team Members have been highly trained to explain treatment with proper terminology that is soothing to the patient.**
- 3. For the safety of everyone, we ask that the Visitor remains SEATED in the designated area only. PLEASE DO NOT SIT IN CHAIRS WITH WHEELS!!**
- 4. For the privacy of everyone, we ask that the visitor does not leave the treatment area unescorted at anytime.**
- 5. According to HIPPA regulations, there is to be no photography or videos taken. This is a punishable offence, violators could be fined.**
- 6. To ensure a Happy Visit, if at anytime the visitor interferes with the treatment of the patient they may be asked to leave the treatment room by a Happy Tooth Team Member.**
